[ECF No. 11]

10 This insurance dispute was removed from the Eighth Judicial District Court to this court
11 by defendant Standard Fire Insurance Company. Compl., ECF No. 1-2. On December 23, 2024,
12 the action was dismissed under Local Rule 7-2(d) for Zheng's failure to respond to Standard
13 Fire's motion to dismiss and judgment entered the same day. ECF Nos. 9, 10. Now, on March 21,
14 2025, almost three months later and without leave of court, Zheng filed a new complaint in this
15 case. ECF No. 11. Zheng is advised that this action has been dismissed without prejudice for
16 failure to file a response to Standard Fire's motion to dismiss. As this case is closed, the
17 complaint [ECF No. 11] is procedurally improper and is therefore **STRICKEN**.
